

Opti-V single | double

230V/50Hz | 35 / 70 Watt

Experience Better Living

Built In

A modern fireplace housing the uniquely complete and intense Opti-Virtual® fire experience, developed by Dimplex. With ultra-realistic flickering flame effect, sparks jumping from glowing logs and the crackle of a wood fire, yet electric and therefore completely safe and maintenance free, making it a great addition to both commercial and private environments. Available in two sizes.

- Blended 3D technology creates dazzling flames
- Ultra realistic logset with inner glowing LED lights
- Sparking effect adds additional realism
- Built-in crackle sound for an authentic experience
- Heatless flame lets you enjoy fire ambiance all year round

One-sided decorative fireplace

Blended 3D technology creates enchantingly beautiful flames

Opti-V flame technology, an advanced combination of HDTV, energy efficient LED technology and a lifelike fireplace interior

By using an LCD screen in combination with the pepper ghost effect, an energy-efficient fire image that requires no maintenance

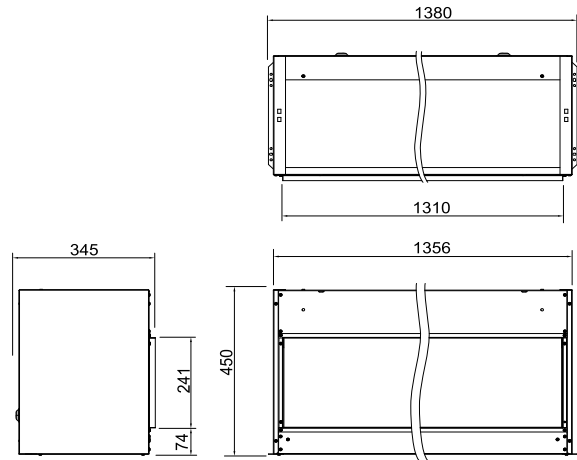

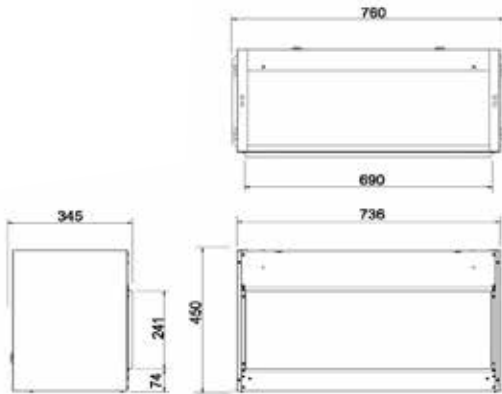

Control all functions of the fireplace from the comfort of your chair
